

# Brainstorm

1. Decide if you are going to work alone or with a partner.
2. Take out your word cards.
3. Sort and review your words.
4. Try to think of as many words you already know that fit the pattern of your word sort.
5. In your spelling journal write the list of words you have brainstormed under the header for your sort.
6. Write down the number of words you were able to think of.
