

MISSION STATEMENT

"Enabling students to achieve the fullness of life"

VISION STATEMENT

St Patrick's Primary school is a community which nurtures each child in an atmosphere of love and respect, where they are able to grow based on the teaching of Jesus Christ. Our school inspires creative and curious learners to achieve their full potential through innovative learning experiences.

At St Patrick's Primary School, we believe that ...

- **Christ is at the centre of all we do.**
- **Students, parents, staff and the wider community are valued, respected and involved.**
- **A rigorous and engaging curriculum allows all students to achieve success.**
- **All students learn best when they are active and engaged in their learning.**
- **Education flourishes in an adaptable learning environment.**
