

2021 OSHC Fees

St Patrick's OSHC accepts permanent, term by term and yearly bookings for After School Care, as well as casual bookings, depending on availability.

Our current fees for 2021 are:

\$20 per session - Permanent After School Care bookings

\$24 per session - Casual After School Care bookings

\$48 a day - Vacation Care and Pupil Free Days.

Additional fees will be charged for excursions and incursions during Vacation Care.

Families can claim the Child Care Subsidy (CCS) on OSHC fees. The CCS could cover up to 85% of fees, depending on the income and work/study hours of the individual family. To organise the CCS families will need to contact Centrelink or update their details through their MyGov account.
