

National School Chaplaincy & Student Welfare Program (NSCSW)

As part of our involvement with the NSCSW program we are able to provide a number of support programs to our students and their families through our Student Support Worker. The role of the Student Support Worker is to work with parents and teachers to develop a program that will assist those children experiencing social or emotional difficulty.

The program aims to support families through pre and post intervention programs that will assist children who experience social or emotional difficulty. The programs include: Seasons for Growth, Brain Breaks and Stormbirds.

In addition to this funded program we also offer the following school-based programs; Grip Leadership Program, Student Leadership program, Buddies program, Positive Behaviour for Learning, School Parliament, Mini Vinnies, Playground Helpers, Indigenous Literacy and Numeracy Program.
